#### **NOTE: CHANGES HAVE BEEN MADE TO THIS PROGRAM**

**We will now be performing this service in 2 four week blocks in the spring and fall. See schedule below for details.** The City will begin its weekly residential rubbish collection program starting on Wednesday, May 26<sup>th</sup>. This collection will serve all 3 unit or less residential properties in the City. It does not serve commercial properties.

**Main Street and the areas South of Main Street:** Pick – up service will begin on Wednesday May 26<sup>th</sup> for the area including Main Street and that area South of Main. Items for collection should be placed out after 5:00 p.m. on Tuesdays and before 7:00 a.m. Wednesdays. See schedule below for dates of collection

Collection Area	Weekly Pick-up day	May	June	September
Main Street and that area South of Main Street	Wednesday	26	2, 9, 16	1, 8, 15, 22
North of Main Street	Thursday	27	3, 10, 17	2, 9, 16, 23

This program is an addition to, not a replacement of, your existing residential household garbage collection. It is still your responsibility to properly dispose of your garbage separately.

On the reverse side are lists of materials that may be placed out for collection and those that are excluded from collection under this program. Materials must originate from the residence, and not from elsewhere or from residents' contractors. Materials for collection must be placed within curb-lawn areas of right of way-that is between curbs and sidewalks; or just behind curbs where there are no sidewalks; or at street shoulders where there are no curbs.

The total volume of all items that may be placed out for collection per house each week is limited to two cubic yards (think of filling an area the size of a short bed pick-up truck). Because this program is not limited to 1 week, you have plenty of time to have your items collected and do not have to have them all out for the first collection or all at once. Please do not place materials out at the street for collection before 5 pm the day before your pick-up. In addition, the pick-up will start at 7 a.m. so have any items out by then.
