Collection Area	Weekly Pick-up day	June	July	August	September
<b>Main Street and that area South of Main Street</b>	Wednesday	17, 24	1, 8, 15, 22, 29	5, 12, 19, 26	2, 9
<b>North of Main Street</b>	Thursday	18, 25	2, 9, 16, 23, 30	6, 13, 20, 27	3, 10

This program is an addition to, and not a replacement of, your existing residential household garbage collection. It is still your responsibility to properly dispose of your garbage separately.

On the reverse side are lists of materials that may be placed out for collection and those that are excluded from collection under this program. Materials must originate from the residence, and not from elsewhere or from residents' contractors. Materials for collection must be placed within curb-lawn areas of right of way-that is between curbs and sidewalks; or just behind curbs where there are no sidewalks; or at street shoulders where there are no curbs.

The total volume of all items that may be placed out for collection per house each week is limited to two cubic yards (think of filling an area the size of a short bed pick-up truck). Because this is a weekly program for thirteen weeks you have plenty of time to have your items collected and do not have to have them all out for the first collection or all at once.

Please do not place materials out at the street for collection before 5 pm the day before your pick-up. In addition, the pick-up will start at 7 a.m. so have any items out by then.
